**Subject: Proper utilisation of vacant BSNL Staff Quarters—regarding.**

During the recently held Union Meeting with the Chief General Manager Telecom, Telangana Telecom Circle, Hyderabad, it was submitted by them that many of the BSNL Staff Quarters are in a dilapidated condition and that water and electricity charges are being paid despite the fact that they cannot be occupied. It was also intimated that many of our employees are willing to occupy the BSNL Staff Quarters on rent either for themselves or for their family members. However, due to lack of proper information, they are not able to do so.

In view of the above, it was decided that the electricity connections in respect of the Quarters, which are not fit for occupation, or not likely to be occupied in the near future, may be got disconnected or may be kept in Safe Custody to avoid payment of fixed monthly charges.

Also, it was decided in the meeting that a list of Quarters (Location-wise and Type-wise), will be kept in the Intranet for the information of our employees. Necessary action will also be taken for proper utilisation of the vacant quarters and to give them on rent, as per the guidelines issued by the BSNL Corporate Office.
